**HUNDRED ACRE CABERNET SAUVIGNON
ARK VINEYARD 2006
HOWELL MOUNTAIN, NAPA VALLEY**

96 POINTS

“...tannins and earthiness are apparent in the 2006 Cabernet Sauvignon Ark Vineyard. Last year, this wine revealed considerable softness, but that has morphed into a more delineated, beautifully dense, extravagant fruit character. It, too, should drink beautifully for 20 years.”

Robert Parker

“One of California’s (perhaps the world’s) most flamboyant, talented, contrarian wine producers is Napa Valley’s Jayson Woodbridge, the owner of Hundred Acre winery. Woodbridge has been running in high gear since his debut 2000. His 100% Cabernet Sauvignons are made primarily by him, with some consulting advice from Philippe Melka...All things considered, this is an extraordinary group of wines.”

Robert Parker

“The most common characteristic among all of the Hundred Acre Cabernet Sauvignons is their incredibly opulent, creamy textures.”
