

STONECAP

MONSON FAMILY ESTATES

STONECAP WINES are handcrafted entirely from estate grown grapes from the renowned GOOSE RIDGE ESTATE VINEYARD in Washington's Columbia Valley. This expansive and highly regarded vineyard allows the Monson Family to produce stunning quality wines that are sensibly priced.

STONECAPS

The Columbia Valley produces extraordinary grapes in large part due to the area's great soils which are the result of massive flooding during the last Ice Age. Light and porous, these soils are frequently windblown, and the windy tops of the many high hills and ridgelines of the region are typically devoid of soil leaving a "stonecap" of rocks behind.

THE MONSON FAMILY

The Monson family has been farming the Columbia Valley for over four decades and developed Goose Ridge Vineyard in 1999 under the guidance of Dr. Walter Clore, the "father" of the Washington wine industry. The Monsons, along with veteran winemaker Kendall Mix, are dedicated to limited production, handcrafted wine and meticulous vineyard practices.

GOOSE RIDGE ESTATE VINEYARD

Goose Ridge Estate Vineyard is located on the ridge of Goose Hill, across from Red Mountain in the Columbia Valley where the Yakima River converges with Red Mountain and Horse Heaven Hills. The vineyard has gentle, south-facing slopes and warm temperatures. The Monson Family planted the vineyard in small blocks to produce high quality estate-grown wines. The 1,600 acre vineyard is planted to Cabernet Sauvignon, Merlot, Chardonnay, Riesling, Viognier, and Pinot Gris.

STONECAP

MONSON FAMILY ESTATES

StoneCap wines are exceptional quality, estate produced wines from Goose Ridge Vineyards, a family owned winery in Washington's famed Columbia Valley.

RIESLING

Sunny, ripe peach and apricot aromas and flavors are accented with notes of honey and apple. Fresh and juicy, this wine offers a balance of zesty acidity and lively fruit. A delicious wine served with Dungeness crab and Northwest oysters. Also excellent with spicy Asian dishes.

CHARDONNAY

Bright, refreshing and crisp, StoneCap Chardonnay is lively with floral and tropical fruit aromas that blend beautifully with flavors of star fruit, citrus and green apple. Pair this wine perfectly with grilled poultry, light cheeses and smoked salmon.

MERLOT

Velvety and smooth with rich flavors of red berry, plum and ripe cherry, highlighted with notes of mocha and spice the StoneCap Merlot is superb served with veal, grilled salmon and medium bodied cheeses.

SYRAH

The StoneCap Syrah is a full-bodied wine offering flavors of dark berry and plum that blend with hints of tobacco, pepper and mocha and is a perfect complement to game bird, grilled meats and heavy, rich cheeses.

CABERNET SAUVIGNON

Rich and robust, the StoneCap Cabernet Sauvignon is redolent with black cherry, raspberry and currants that combine with toasty oak, chocolate and spice. Grilled pepper steak or herb-roasted rack of lamb are favorites with this smooth and powerful wine.
