## 2009 ESTATE GROWN MERLOT COLUMBIA VALLEY

Our 2009 Estate Merlot is velvety with flavors of red berry, cherry and notes of mocha that pair perfectly with veal, grilled salmon and medium bodied cheeses.

StoneCap is made with estate-grown grapes from the expansive and renowned Goose Ridge Vineyard in Washington State's Columbia Valley. This highly regarded vineyard allows winemaker Kendall Mix and the Monson Family to produce stunning quality wines while remaining sensibly priced.

Washington State's famed Columbia Valley produces extraordinary grapes in large part due to the area's great soils, the result of massive flooding during the last Ice Age. Light and porous, these soils are frequently wind-blown and the windy tops of the many high hills and ridgelines of the region are typically devoid of soil, leaving a "Stonecap" of rocks behind.
