

STONECAP

2009 ESTATE GROWN SYRAH COLUMBIA VALLEY

Our 2009 Estate Syrah has full-bodied flavors of dark berry and plum that blend with hints of tobacco and mocha and pairs perfectly with grilled meats, game bird, and heavy cheeses.

StoneCap is made with estate-grown grapes from the expansive and renowned Goose Ridge Vineyard in Washington State's Columbia Valley. This highly regarded vineyard allows winemaker Kendall Mix and the Monson Family to produce stunning quality wines while remaining sensibly priced.

Washington State's famed Columbia Valley produces extraordinary grapes in large part due to the area's great soils, the result of massive flooding during the last Ice Age. Light and porous, these soils are frequently wind-blown and the windy tops of the many high hills and ridgelines of the region are typically devoid of soil, leaving a "Stonecap" of rocks behind.
