**WINE ENTHUSIAST**

**90 Points**

“Inviting, fresh, racy scents mix pineapple, citrus and light tropical fruits. There is an interesting mouthful not unlike Semillon, though none is indicated in the blend. The wine has substantial length and unusual highlights of spice, clove and mint, along with plenty of rich, ripe fruit to hold down the center palate...this is a fine effort from consulting winemaker Charlie Hoppes.”

Paul Gregutt, Aug 2010
