

**Wine Profile**  
**Moone-Tsai 2018 Napa Valley Cabernet Sauvignon**

**Tasting Notes**

The “textbook” growing season that marked **2018** allowed winemaker Philippe Melka to craft an array of exceptional wines that bear our lionized emblem. Starting with abundant rainfall in February, followed by a moderately late bud break and flowering; gloriously ideal conditions through the spring allowed for a plentiful and even fruit set, followed by a mild summer and fall. Under these nearly ideal conditions, heavenly hangtime allowed the fruit to accumulate delightful flavor complexity with oh-so-gradual increases in sugar...to yield a crop marked by exceptional quality and quantity.

Deep ruby in the glass, our **2018** Napa Valley Cabernet is fragrant with black fruit, cedar and rose petal. While softly alluring on the nose, the wine’s attack is assertive and vigorous, without being noisy or domineering. Concentrated notes of black cherry, boysenberry, earth, and graphite initially predominate, giving way to feints of black tea and cherry cola. Aged twenty months in 56% new French Oak, this expressive wine displays a bright acidity, chalky tannins, and a lightly chiseled muscularity all the way through to a fine, triumphant finish. Deftly potent and deceptively agile, the wine registers with immediate impact, much in the way that the Arizona Cardinals’ prodigiously talented playmaker, QB Kyler Murray continues to do...since entering the NFL after claiming the Heisman Trophy in **2018**.

The backbone of this remarkable Cabernet Sauvignon was sourced from Atlas Peak and Soda Canyon, an area located in southeast Napa Valley where soils are characterized by a blend of volcanic and granite-like sub-soil. The most prominent of these vineyard blocks is planted at the base of Atlas Peak on the eastern ridge of the valley, at an elevation of 842 feet. Grapes from this area enjoy both the structure characteristic of hillsides, and the rich flavors that mark valley floor fruit. Western exposure provides afternoon sun for the 2,000 vines that are densely planted in soil with extremely low fertility...which invites the vines to grow deeper roots that seek nutrients and allow for intense fruit and a softer structure.

**Winemaker: Philippe Melka**, Bordeaux-bred (*Chateau Haut Brion, Petrus*) and – heralded by Robert Parker as one of the top nine winemakers in the world. “*Where possible, I will minimize winemaking techniques in the cellar so I can create a wine that tells the story of the vineyard. In the end, it must be about the fruit.*”

**Wine Facts**

Varietal Composition:	100% Cabernet Sauvignon
Vineyards:	Atlas Peak, Soda Canyon, St. Helena
Production:	800 cases
Harvest Date:	Sep 24 <sup>th</sup> – Oct 18 <sup>th</sup> , 2018
Cooperage:	Twenty months: 56% new French oak: St. Martin, Fr. Freres, Taransaud
Bottle Date:	June 24, 2020
Release Date:	Scheduled for January 2021
