Production: 380 cases

**Reviews**

- Jeb Dunnuck: **96 points** – “... offers stunning crème de cassis, graphite, white flowers, and vanilla aromas and flavors. With classic 2017 focus and precision, full-bodied richness, fine tannins, and a great finish, it's another head-turning, classically styled wine that's going to age easily for 20-25 years or more.”
- Lisa Perrotti-Brown (Robert Parker): **95+ points** - “reveal notions of warm plums, baked blackberries, boysenberries and black currant pastilles with hints of tree bark, cigar box and wild sage plus a touch of cloves. Full-bodied, the palate has great purity and fantastic structure with a firm, finely grained texture and seamless freshness lifting the intense flavors to a long finish. Impressive!”
- Antonio Galloni, Vinous: **94 points** – “...another impressive wine in this range from Moone-Tsai. Ample, creamy, and enveloping, the 2017 is showing beautifully today. Super-ripe red cherry, plum, cedar, licorice and new leather add layers of nuance.”
