**NAPA'S MOONE-TSAI CABERNET SERVED AT HISTORIC SUMMIT OF PRESIDENT OBAMA AND CHINESE PRESIDENT XI JINPING**

Napa, Calif. (June 10, 2013) – Napa Valley's Moone-Tsai Wine had the honor of being served during President Obama and Chinese President Xi Jinping's historic, first official summit late last week, held at the venerable Sunnylands estate in Rancho Mirage, Calif.

Moone-Tsai's 2008 Napa Valley Cabernet Sauvignon, which had been specifically requested for the two-day meeting by the Chinese Consulate, was included among the wines enjoyed during the two-day summit. Awarded a 95-point rating by The Wine Enthusiast, Moone-Tsai's Napa Valley Cabernet enjoyed the distinction of being named among the Top 100 wines of the year. The wine was also featured as a top pick in The Wall Street Journal's "Speakeasy" column.

With the East-West heritage of Moone-Tsai Wine's founders, MaryAnn and Larry Tsai, the highly touted, limited-production wine was well-suited to the occasion of this summit between the world's most notable eastern and western leaders.

"As a winery proprietor and an American of Chinese descent, we are especially proud to have our wines enjoyed during the historic occasion of this presidential summit," said Larry Tsai.

Moone-Tsai is a Napa Valley winery that crafts limited production wines prized for their character, complexity, structure, balance and scarcity. Produced by Bordeaux-bred winemaker Philippe Melka, Moone-Tsai wines include Cabernet Sauvignon, proprietary blends and highly acclaimed Chardonnay.

All Moone-Tsai wines have received critical praise and appear on the wine lists of some of the country's top dining establishments. The Moone-Tsai portfolio includes the flagship Cor Leonis Cabernet Sauvignon, Napa Valley Cabernet Sauvignon, Howell Mountain Hillside Blend, Napa Valley Chardonnay and Sonoma Coast Chardonnay.
