

GRAND BAROSSA CABERNET SAUVIGNON 2017

Heritage

Chateau Tanunda, Icon of the Barossa was established in 1890 and is the site of some of Valley's earliest vines as well as its first winery. The Chateau is privately owned by the Geber family who continue a tradition of fine winemaking spanning three generations.

The Grand Barossa Cabernet Sauvignon is a finely crafted example of quality Barossa Cabernet Sauvignon. This wine has been awarded Gold Medals for the past 9 vintages (2009-2017), our classic house style seen it named in the Wine Spectator Top 100 Values List (2014) and the Adelaide Review Hot 100 of South Australia.

Vineyard

For our Grand Barossa Cabernet Sauvignon we select grapes grown throughout the Barossa and its myriad sub-regions. It is this tapestry of "terroirs" which that form the basis of our classic and refined style

Winemaking

Handcrafted using traditional minimalistic winemaking techniques and state of the art modern basket-press technology. House style is elegant and refined, ripe fruit from Barossa that is world famous, supported by subtle oak and savoury character. The wine is fermented in small batches to retain sub-regional character, gently basket pressing and matured 18 months in French and American oak.

We ensure consistency of our refined house style by masterful blending. To add complexity, we regularly integrate not just a range of parcels, but also small elements from past and future vintages, as well as other varieties such as Cabernet Franc and Shiraz to add elegance and structure.
