

Frida Kahlo®

Frida Kahlo is a woman who passionately embraced the adversities of life and found in her reality an opportunity to reinvent herself. Her iconic identity and extraordinary artwork left behind a legacy that transcends and overcomes barriers of culture while inspiring her to constantly transform tradition into reinvention. This is why we were inspired by Frida's passion, sophistication, elegance and attitude to create a new style of wine.

We present you Frida Kahlo, a true reinvented classic.

CABERNET SAUVIGNON 2017

VARIETAL: 100% CABERNET SAUVIGNON | REGION: MAIPO VALLEY

WINEMAKING PROCESS

The grapes were handpicked from our estate vineyards, located over the best alluvial terraces Maipo Valley by the Andes mountains.

Before fermentation the grapes are cold macerated for 10 days at 4°C, to ensure maximum retention of primary fruit aromas and to maximize color extraction. Alcoholic fermentation was carried out in stainless steel tanks at 28° - 29° C. The total maceration period was between 14-22 days. The total blend was aged in French oak barrels for a period of 14 months, malolactic fermentation occurred naturally in barrels.

SOIL

Cabernet Sauvignon demands good drainage to deliver perfect tannins, so the wine can expand on the palate, delivering elegance and balance. The soil of our "Quillayes" vineyard planted over alluvial terraces has a mixture of 20% clay and 80% sand, which provides the vines with outstanding drainage balanced with optimum moisture retention.

CLIMATE

This grape variety requires warm temperatures to fully develop its unique blackcurrant and spice flavors. A significant fluctuation in temperature from day to night gives the wine a balanced acidity. The proximity of our vineyard to the river enables the winds sweeping in from the Andes to moderate day temperatures, and the high altitude helps to cool down the area at night. Maipo Valley is without doubt, the best Chilean terroir for Cabernet Sauvignon, this wine has successfully harnessed that potential.

WINEMAKER'S COMMENTS

Our Gran Reserva Cabernet Sauvignon is a deep and intense ruby-red in color. The nose presents aromas of black currants, blackberries, and licorice with smooth, elegant cedar notes. The palate is very rich and generous yet fresh and vibrant at the same time. The wine has abundant fruit and firm tannins that lend structure and depth.

TECHNICAL DETAILS

ALCOHOL CONTENT: 13.5 % vol. | **RESIDUAL SUGAR:** 3.3 g/l

TOTAL ACIDITY: 5.1 g/l (Expressed in Tartaric Acid) **pH:** 3.7 | **AGING POTENTIAL:** 6 to 7 years

FOOD & WINE:

This is the perfect wine to enjoy with full-flavored red meats such as lamb, ribs and beef with spicy sauces. It also goes well with ripe cheeses.
