

DUCK HUNTER

WINES

We Make Wines that Inspire!

At Duck Hunter Wines, we believe few things in life are more enjoyable than good conversation over fine wine. At such moments, the mind runs free, ideas flow and friendships strengthen. Wherever you are, the world becomes a little smaller. At Duck Hunter Wines, such moments are our greatest inspiration. Our aim is to create and share fine wines that warm the moment.

Our wine label shows a wonderful painting by New Zealand artist, Joanna Braithwaite. Co-founder, Mark Wilson discovered this painting and instantly knew that it would be the ideal marquee for our family of wines.

With remarkable speed, the Duck Hunter has grown in personality and charm. With gun slung casually over wing, our feathered friend is not the hunted; rather the hunter – the keeper of the estate, protector of the vines and calm champion of the wines. If beaks could talk, he'd surely have a good story to share. And so, with every bottle, we see the Duck Hunter as a salute to friendship and conversation. We also assure you that no ducks were harmed in the making of our wines

Duck Hunter is a partnership between Mark Wilson and Rosie Mulholland, but we couldn't achieve what we do without the help of one of New Zealand's best-known (and award winning) winemakers.

Together we share a passion to present high quality New Zealand wine at affordable prices.
