2020 Marlborough SAUVIGNON BLANC

Vine Variety – 100% Sauvignon Blanc | **ALC:** 12.8%

Viticulture - Our grapes are proudly 100% sustainably accredited from vineyard to bottle. Ensuring best practice to protect New Zealand's environment and provide quality assurance for our consumers.

Production Area – Sourced exclusively from the acclaimed Marlborough Region of New Zealand our grapes are sourced from the Wairau & Awatere Valleys. The Comely Bank Vineyard in the sub region of the Waihopai Valley and the Starhill Vineyard in the Awatere Valley comprise the main components of this wine.

Vinification – Careful blending from these two Marlborough sub-regions gives our Sauvignon Blanc perfect balance. Mixing the passion fruit and melon characteristics of the wetter and warmer Wairau Valley region, with its stony free draining soils, with the contrast of the cooler and drier sea air influenced Awatere Valley, famous for its crisper style and minerality.

Tasting Notes – Bursting with aromatics of white peach, melon and lemon sorbet. Beautiful balanced acidity delivers a refreshing finish.

Best Served With – Seafood, salads, cheesy entrees
